CREATIVE GAMING AWARD

As part of the PLAY - Creative Gaming festival (1-4 November 2018), the initiative Creative Gaming grants the Creative Gaming Award in two categories. European developers can submit games and playable media that emphasize creative interactions. The award focuses on innovative ideas, which can be presented in the form of original gameplay, transmediality, as well as novel possibilities to interact, graphic innovations, new interfaces, unknown atmospheres, visual breakthroughs or new topics that the game elaborates on.

MOST CREATIVE GAME

You can submit beta versions and finished projects in this category.
The winner will receive 1500€ and will be invited to Hamburg to visit the festival.

MOST INNOVATIVE NEWCOMER

You can submit prototypes, alpha and beta versions. The winner will be invited to Hamburg to visit the festival.
In addition, a godfather from the games industry will help you for the whole year following the award.
